PERRUNILLAS

INGREDIENTES (for 15 perrunillas):

200 g lard

2 eggs, separated the yolks of the egg whites

150 g sugar

grated lemon, 1 pinch of cinnamon, pinch of salt

400 g flour

ELABORACIÓN

1. Beat the butter at low speed, with the flat whisk attachment, until you get a cream.
2. the yolks one by one and keep mixing at low speed until they are well integrated.
3. Then add the sugar, the lemon zest, the pinch of cinnamon and salt and mix.
4. While you are beating at low speed, add the flour in 3 or 4 times. Let the flour integrate into the dough before adding more.
5. Once the flour has been integrated, form a ball with the dough and let it rest covered with a cloth for 30 minutes.
6. After the time, form balls of dough and give them a croquette shape. Arrange on the baking sheet lined with baking paper and flatten them. Paint them with whipped egg whites and sprinkle with a little sugar.
7. Bake for 15 minutes at 180 ^{0}. Allow to cool completely before handling to avoid breakage.
